

At the end of each term you will know the following:

Term	At the end of this term you will be able to...
Autumn	<ul style="list-style-type: none">• Give detailed opinions on new content and follow them up with developed justifications• Use both the near future and simple future tense to talk about what's going to happen• Begin to understand the function of more complicated grammatical concepts (the present subjunctive)
Spring	<ul style="list-style-type: none">• Confidently use the French language to make well developed points in the past, present and future tenses.
Summer	Pass your French GCSE!
